To whom it may concern,

Construction of Blue Cross Medical Centre (Pvt) Ltd at 682, Kotte Road, Rajagiriya 10107

I wish to confirm that I was the Consultant Structural Engineer to the above project and the structural design was prepared by me and inspected the construction works on periodic basis during construction.

I found that the construction work of the above building was carried out to the required standard and the buildings are safe for the purpose intended.

Thank you
Yours sincerely
