Mr. D.T. Ranaweera  
Director  
Royal Hospital (Pvt) Ltd  
No. 62, W. A. Silva Mawatha  
Wellawaththa  
Colombo 06.

Dear Sir,

#### ENVIRONMENTAL PROTECTION LICENCE

With reference to your application dated **04.07.2022** for the above licence enclosed herewith is the Environmental Protection Licence bearing No. **B 03293 (R11)** dated **21.11.2022**.

Contravention or failure to comply with any condition stipulated in this licence, is an offence punishable under the National Environmental Act No. 47 of 1980 as amended by Act No. 56 of 1988 have been further amended by the National Environmental Act (Amendment) No. 53 of 2000.

An application for renewal of this licence shall be submitted to this Authority **three (03) months prior to the date of expiry** stipulated in the licence. Application forms for renewal could be obtained from the Central Environmental Authority or the relevant Local Authorities.

Failure to submit the renewal application within the above said time period shall be required to submit a fresh Environmental Protection License (EPL) application.

Please state our reference in all correspondence directed to this Authority, in connection with the above licence.

Yours faithfully,

**Chairman/Director General/Authorized Officer**  
**Central Environmental Authority**

Director - Western Province  
Central Environmental Authority

## GENERAL TERMS AND CONDITIONS

1. The licence shall be valid for such period as may be specified in the licence, provided it shall not be for more than a period of three years from the date of issue. - An application for renewal of the licence shall be made at least three months prior to the date of expiry of the licence.
2. The holder of the Licence shall permit the Director General or any other officer duly authorized in writing by him at any time to enter the premises in respect of which the Licence is issued to examine and inspect any equipment or industrial plant; and
  - a) To take samples of any pollutants that are emitted, discharged or deposited from or by such equipment or industrial plant,
  - b) to examine books, records or documents relating to the performance of use or such equipment or industrial plant or relating to the emission, discharge or deposition from such industrial plant;
  - c) to take photographs of such equipment or industrial plants as he considers necessary or make copies of any books, records or documents seen in the course of such examination; and
  - d) to take samples of any fuel, substance or material used, in such trade, industry or process carried on in or on such premises.
3. The holder of the Licence shall comply with any requirement communicated from time to time by the Authority as regards:
  - a) the use of any techniques or installations in the production / process, handling and storage of goods, material, fuel and waste products with a view to minimizing environmental pollution and hazards; and
  - b) any additional technical measure for preventing or mitigating environmental pollution and hazards.
4. The holder of the Licence shall ensure that monitoring of environmental pollution or other acts that the authority considers necessary to protect the environment, including the following are done;
  - a) measurements, calculation, registration of samples to determine actual level of pollution and risk of exposure;
  - b) recording and sorting of data and reporting to the Authority;
  - c) issuing written instructions to persons employed with regard to handling of hazardous material and installations to protect the environment;
  - d) assigning duties and responsibilities to management and staff with regard to protection of the environment; and
  - e) ensuring that persons referred to in (c) above, and charged with duties and responsibilities referred to in (d) above are properly qualified persons.
5. The Licence is valid only for the type and nature of the industry / process / operation as stated in the preliminary application and to the information submitted by the Licensee.
6. Any alteration or extension made to the industry, process of operation should be indicated forthwith to the Authority.

## Solid Waste Management

4. 4.1 Solid waste such as polythene, plastic, paper shall not be disposed into any water body or at a site where it is likely to enter a water body.
- 4.2 Solid waste shall not be burnt in the open and according to the Gazette Extraordinary No. 2034/36 dated 01.09.2017 burning openly or cause to, allow or permit the open burning of refuse or other combustible matters inclusive of plastics is prohibited within the industrial premises or surroundings.
- 4.3 The provisions of the Gazette Extraordinary No. 2034/33, 2034/34, 2034/35, 2034/37 and 2034/38 as dated 01.09.2017 published under section 23W of the National Environmental Act No.47 of 1980 as amended shall be adhered to.
- 4.4 Infectious waste generated from the hospital should be separated from the normal garbage.
- 4.5 All the solid waste other than clinical waste generated shall be collected into a central place within the premises and shall be removed and disposed at regular intervals in an environmentally safe and nuisance free manner in consultation with the relevant local authority.
5. According to the Part II of Gazette Extraordinary No.1534/18 dated 01.02.2008 a separate License shall be obtained for the management of waste specified in the schedule VIII, No.28 of Part II waste from specific sources.

## General

6. If an electricity generator is envisaged to be used, it should be located in a sound proof chamber and exhaust line of the generator should be directed upwards from the top of the sound proof chamber where the generator to be installed. Stack emission from the standby generator should be complied with the stationary source emission control standards published in gazette extraordinary No.2126/36 dated 05.06.2019 as follows.

Type of pollutant	Emission Limit
Particulate Matter (PM)	Shall be controlled by fuel quality and stack height as defined in Regulation 11 and 12 (Annexure I)
Sulfur Dioxide (SO <sub>2</sub> )	
Nitrogen Oxides (NO <sub>x</sub> )	
Smoke/ Opacity	10% Opacity

7. According to gazette extraordinary No. 1627/19 dated 26.11.2009 municipal solid waste shall not be dumped along sides of any national highway.

**Chairman/Director General/Authorized Officer**  
**Central Environmental Authority**

**H.S. Premachandra**  
Director - Western Province  
Central Environmental Authority

8. Precautions should be taken to prevent the occurrence of fire and adequate measures shall be adopted to extinguish an accidental fire in consultation with the Fire Service Department.
9. Cleanliness and good house keeping practices shall be adapted.
10. Health and safety of workers shall be ensured as stipulated in the factories Ordinance and its amendments.
11. Installation and operation of any machinery other than those stated in the application dated 04.07.2022 should not be carried out without obtaining prior approval of the Central Environmental Authority.
12. Any expansion to the hospital or change in the hospital process shall be affected only with prior approval of the Central Environmental Authority.
13. Any additional conditions stipulated by the Central Environmental Authority as and when required for controlling any kind of pollution arising from the operations of the hospital shall be strictly adhered to.
14. The Environmental Protection License issued for this hospital should not be considered as an approval for carrying out this hospital / process at this location. It is only a permit for the discharge of effluents/emissions or emitting of noise levels according to stipulated standards. The written approval of the Urban Development Authority and relevant local authority (Colombo Municipal Council) should be obtained for the operation of the hospital at this location.
15. This Environmental Protection License is issued only with respect to **Royal Hospital (Pvt) Ltd** situated at **No.62, W. A. Silva Mawatha, Wellawaththa, Colombo 06**.
16. This Environmental Protection License is issued to carry on only the permitted activities stated therein; it shall not and is not intended to confer the recipient thereof any right to assert ownership to the land where the permitted activities are carried on.
17.
  - 17.1 The CEA reserves the right to suspend or cancel this license in the event that since the issue of this license, the receiving environment has been altered or changed due to natural factors or otherwise, or where the continued discharge, deposition or emission of waste into the environment will or could affect any beneficial use adversely.
  - 17.2 This license is granted on the basis that all information provided by the applicant is true and accurate. If at any time it is found that any information furnished by the applicant in the Environmental Protection License (EPL) Application Form is incorrect, this Authority reserves the right to cancel the license.
