Dear Sir

### **RENEWAL OF ENVIRONMENTAL PROTECTION LICENCE**

This refers to your application submitted to the BOI to renew the Environmental Protection Licence (EPL) for your industry.

It has been agreed between the Central Environmental Authority (CEA) and the BOI that in respect of projects approved by the BOI under the Sec. 17 of the BOI Act, granting of environmental clearances and issuing of EPL are carried out by the BOI after obtaining concurrence from the CEA.

In response to your EPL renewal application, the industry was inspected by the officers of the BOI and CEA. Our recommendations will be referred to the CEA for obtaining their concurrence. The EPL will be renewed once their concurrence is received.

This letter is issued at your request.

Yours faithfully

(Ms). A S Beling

Director (Environment Management)
