North Western Province

Dear Sir

**SAMPLE ANALYZING AND WASTE DISPOSAL METHOD**  
**NO 201/1, COLOMBO ROAD, KURUNEGALA (PHSRC/L/912)**

This is to bring your kind notice that we do not perform any test analysis at above mentioned Collecting centre and directing all collected specimens to the Wayamba Diagnostic Medical Laboratory (Pvt) Ltd head office at No 120, Colombo Road, Kurunegala bearing PHSRC Registration Number L/101 for the analyzing purpose.

The segregated waste items are been transported to the Wayamba Diagnostic Medical Laboratory Incinerator installed at No 161, Mehiella, Kurunegala bearing Environmental Protection License Number 6193/2021 for incineration purposes.

**Waste Segregation chart**

Category of waste	Waste items	Name & Colour Code
Type I – General Clinical waste	Disposed Gloves, Cotton, Face Mask, Caps	Infectious Waste - Yellow
Type II - Sharp	Syringes, Needles	Sharp Bin - Yellow

Thank you

.....  
Thilani Weerasinghe  
(Laboratory Secretary cum M/R)
