

23<sup>th</sup> of January 2023

Director,

Private Health Regulatory Commission,

Colombo.

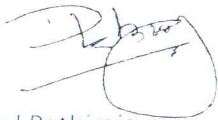

Dear Sir,

Arogya Hospital Building at No. 250, Colombo Road, Gampaha – Stability Report

This is to confirm that the above building's structural frame, walls, finishes and all plumbing and electrical systems are safe for the current hospital service. The total service loads are withstanding by the existing foundation as per the designed details.

Thanking You.

Yours faithfully

Deepal Pathiraja
